LEVELING THE PLAYING FIELD
STEM SCHOLARSHIPS

Thank you for considering sponsorship of this timely initiative that will provide scholarships for African American STEM students at Peralta Colleges: Samuel Merritt College, Laney College, Berkeley City College, and College of Alameda!

Your partnership will not only be instrumental in closing the digital divide for students of color, but it will also create and enhance learning opportunities to level the playing field for all.

Help the Peralta Colleges Foundation create tangible change for STEM students of color: the next generation of high-tech leaders to serve our region!
